

CIGNA ACCIDENTAL INJURY BENEFITS

Plan 1

Cigna Accidental Injury insurance can provide the coverage and additional financial protection employees and their families may need for expenses associated with an unexpected covered accident. With Cigna Accidental Injury insurance, a payment is made directly to you, and what you do with the money is up to you. There are no copays, deductibles, coinsurance or network requirements. Coverage continues after the first covered accident and helps provide additional financial protection for future covered accidents.
