## Essex Premium Wellness Package

### 2 TRX Rubber Coated Kettlebells

Take a swing at some dynamic strength movements with TRX Rubber Coated Kettlebells! With gravity-cast molding and durable rubber coating, you'll get a grip on this versatile piece of equipment to perform anything from swings, presses, squats, snatches, and more.

- EXRBKB-8 – 8 kg (17.6 lb)
- EXRBKB-4 – 4 kg (8.8 lb)

### TRX 18-inch Foam Roller

Target nagging muscle pains and knots, recover faster, and improve flexibility and mobility with the TRX Foam Roller. Made from high-quality expanded polypropylene foam (EPP), this roller keeps its shape and delivers consistent results through deep tissue therapy that'll get you safely back to training in no time.

- EXFMRL-18 – 18 inch

### TRX Mat

Soften up even your toughest workouts! The TRX Mat is a mid-sized, cushioned training surface that brings comfort to your planks, crunches, hamstring curls, or bridges. Functional, durable, portable, and easy to store, the TRX Mat is the perfect add-on to anywhere your workouts take you. 23" (W) x 48" (L) x 0.5" (D)

- EXMAT

### TRX 10-inch – 8 lb Medicine Ball

Our 10" TRX Wall Balls are built to withstand heavy-duty use and are easy-to-grip no matter how hard you sweat. Handcrafted with reinforced seam construction, they are made with an interior filling that is forgiving enough to safely catch high-speed throws or bounces, while maintaining their shape.

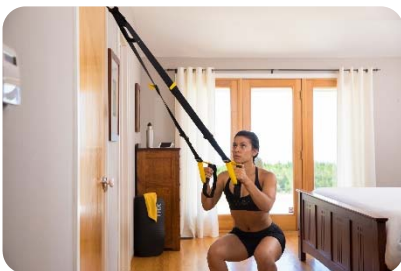

- EXMDBL-10-8 - 8 lb Medicine Ball

### TRX Commercial Suspension Trainer

This commercial model is the strongest and most durable Suspension Trainer TRX builds. New on the Club 4 is larger padding for increased comfort, Antimicrobial handles, and Adjustable Foot Cradles that prevent slippage.

- TRXCLUB4

### TRX Door Anchor

Provides an anchor point for your Suspension Trainer. Fits easily over any solid door and provides 100% sturdy support. Won't scratch or damage paint or wood. An ideal accessory for anyone looking to get their training on the go. Easy to use.

- TRXDA-SG

### 2 Prism Smart Guard Sleeved Tubing

The Sleeved Tubing is made of professional-grade rubber dipped tubing encased in nylon sheathing that enhances safety and comfort during resistance training. Nylon sheathing also protects the tubing from damage, UV light and drying out. Tubing is 4ft long, perfect for a variety of exercises. Plastic handles are reinforced with webbing strap.

- 100-100-101 – Light, Green 10lb
- 100-100-103 – Heavy, Blue 20lb

## Essex Premier Wellness Package
