

2018 Guardian Supplemental Short Term Disability Rates (Washington)

The rates in the chart below are the amount the employee must pay per \$10 of benefit. The employee's age determines which rate applies. Therefore, your rates may change on your date of birth if you are pushed into a higher age bracket. Rates reflect coverage only for employees who are actively at work on the effective date.

Monthly Rates Per \$10 of Benefit	
Rates Assume Monthly Billing	
Through 24	\$0.49
25-29	\$0.41
30-34	\$0.33
35-39	\$0.25
40-44	\$0.19
45-49	\$0.20
50-54	\$0.25
55-59	\$0.33
60-90	\$0.358
