

Helpful Safety Tips!

As a resident, you can help our community by following these important guidelines:

- Always lock the dead bolt of your apartment's front door.
- Lock your car doors and keep your windows rolled up.
- Do not leave valuable items such as keys, remotes, electronics or accessories visible in your car.
- Immediately report suspicious activity to the police. Additionally, provide the information to the leasing office so that we may follow up appropriately.
- Do not give unknown people access to the building.
