# Log On

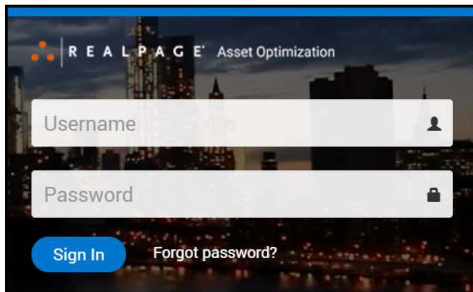

## Before You Begin

- You must know your Username and password to log on.
  - If you do not know your Username, contact [RevenueManagement@essex.com](mailto:RevenueManagement@essex.com)
  - If you do not know your password, use the **Forgot Password?** link to reset your password.
- YieldStar is compatible with Google Chrome, Internet Explorer, Safari, and Firefox. The tool works best in Google Chrome.

## Logging On to YieldStar

YieldStar is available in the suite of applications located on the **Asset Optimization** page.

1. You can access the Asset Optimization page at [ao.realpage.com](http://ao.realpage.com)

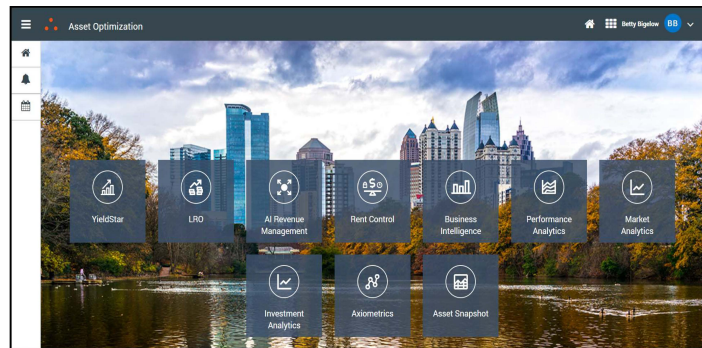

2. Type your username in the **Username** field.

3. Type your password in the **Password** field.

**\*If you do not know your password, click the **Forgot Password?** link to change your password.**

4. Click **Sign In**. The **Asset Optimization Home** page opens.

5. Click **YieldStar**. The YieldStar application opens, showing the **Dashboard** page by default.

## Logging Out of YieldStar

1. Click your name in the upper-right portion of the page.
2. Click **Log Out**.
