

# DISCOVER OUR NEW PARTSLINK™ TOOL

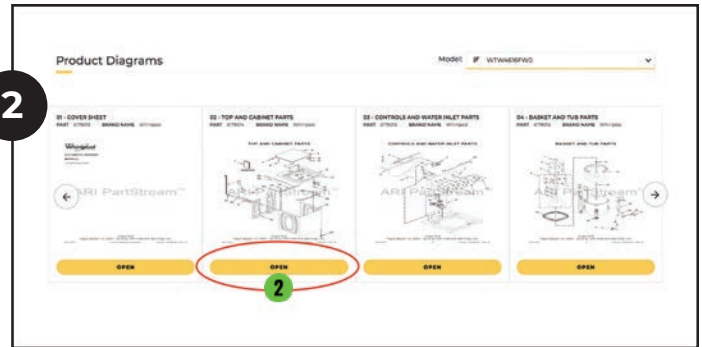

Find, research, and order appliance repair parts quickly and accurately.

## HERE'S HOW IT WORKS:

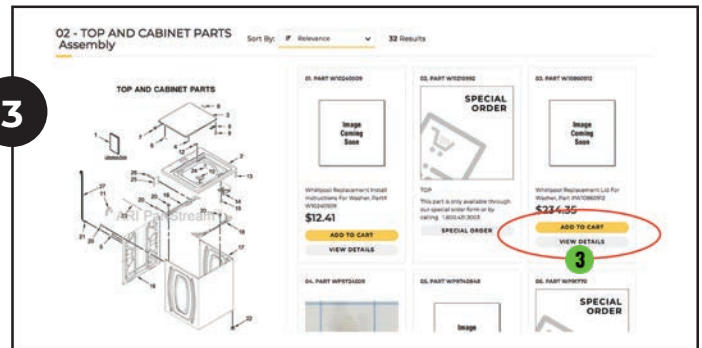

**1** Navigate to **PartsLink™** from any page on our website and enter the **appliance model number** or **HD Supply part number**.

**2** Open the Product Diagram for the repair you are performing to view available parts.

**3** Find the part you need and click **Add To Cart** or **Call 1.800.431.3003** for special orders.
