

## Important notice...because we care.

We've seen an increase of car vandalism and theft around our community. We understand the importance of providing you with a comfortable home and have taken action to help discourage unlawful activities.

As a resident, you can help by following these important guidelines:

- Lock your car's doors and keep your windows rolled up.
- Do not leave valuable items visible in your car.
- Immediately report any suspicious activity to the police. Provide the information to the leasing office so that we may follow up appropriately.
