

## We're a pet-friendly community!

You love your pets. And we love them, too! Help us ensure that we can continue to extend pet privileges at our community.

- Clean up after your pet. Don't forget your waste bags!
- When outside your apartment, keep your pet on a leash.
- Don't leave pets unattended outside of your apartment (including on your patio or balcony).
- Giving your pet treats outside? Food can attract rodents, so refrain from leaving food out on the community grounds.
